

Cost of Attendance

The Office of Student Financial Aid constructs average financial aid budgets that include:

- Tuition and fees
- Books and supplies
- Room and board (living expenses)
- Transportation cost
- Personal expenses

These budget items added together make up the Cost of Attendance. The Financial Aid Cost of Attendance reflects an average cost for a student attending Montgomery College full-time for the 9-month academic year. You can view your average cost by selecting the correct menu below.
